## Recent District Weddings

### JOHNSON — ROSKAMS

St. Aldhelm's Anglican Church was the scene of a pretty spring wedding Saturday, May 3, when Miss Nanette Monica Roskams, R.N., was united in marriage to Orval Gilbert Johnson of Champion. Rev. R. H. Johnson officiated at the ceremony for the daughter of Mrs. K. L. Roskams of Taunton, Somerset, England, and the son of Mr. and Mrs. Johnson of Gull Lake, Sask.

The bride entered the church on the arm of Leonard Tyler of Lomond, who gave her in marriage, to the strains of the "Wedding March," played by Mrs. R. Walker. Invited guests were escorted to their places by ushers, John Popovitch of Vulcan and Robert Marshman of Champion. The chancel front was decorated with bouquets of snapdragons, carnations and gladioli, while white satin bows marked guest pews.

For her wedding, the bride chose a waltz-length, white satin gown, patterned with a lovers-knot design. Her French net veil was held in place by a coronet of seed pearls and she carried a colonial bouquet of red roses.

Miss Sarah Nicholson, R.N., of Vulcan was bridesmaid and she wore a ballet-length, cream-colored gown of screen-patterned over white taffeta and shirred accessories. Her bouquet was of gold carnations.

Albert Downey of Lethbridge, attended the bride-groom, as best man.

Following the ceremony, a reception for some 90 guests was held in the IOOF dining room. Receiving with the bridal couple were Mr. and Mrs. Leonard Tyler of Lomond, Miss Nicholson and Mr. Downey.

The tables, most beautifully decorated by Mrs. Commodore Allen, featured a profusion of flower arrangements. A three-tiered wedding cake, topped by a miniature bride and groom and flanked by tall tapers, centered the bride's table. The ladies of the Anglican Guild served a sumptuous supper. Leonard Tyler proposed the toast to the bride, to which the groom very fittingly replied.

Out-of-town guests were Mrs. G. Shuttlesworth, Balzac; Mr. and Mrs. J. Johnson and family of Gull Lake, Sask.; Mrs. L. McAuley, Webb, Sask.; Mr. and Mrs. H. Sharp, Shaunavon, Sask.; Mrs. A. Wilson, Maple Creek, Sask.; Mr. and Mrs. A. Koshney, Lethbridge; Mr. and Mrs. A. Downey, Lethbridge; Mr. and Mrs. W. Hertzog, Webb, Sask.; Mr. and Mrs. W. Wettersbrand, Gull Lake, and Mr. and Mrs. G. Simpson, Webb, Sask.

For going away the bride changed to a brocade beige suit, flecked with green and gold, complemented by brown and green accessories. Her corsage was of yellow carnations. After a honeymoon spent at the west coast, Mr. and Mrs. Johnson will make their home at Champion.

### BAVER — FRITZLER

Hillcrest Evangelical United Brethren Church was the setting for the afternoon wedding which united Miss Eileen Grace Bayer, daughter of Mr. and Mrs. Fred Bayer of Medicine Hat, to Mr. Emil David Fritzler, son of Mr. and Mrs. Jacob Fritzler of Champion. The double-ring ceremony was performed by Rev. D. E. Jane on April 5.

Escorted down the aisle by her father who gave her in marriage, the bride was lovely in a floor-length gown of chantilly lace and tulle over white satin, featuring a fitted bodice, sweetheart neckline, lily-point sleeves and full skirt. Her fingertip veil misted from a pillbox of lace encrusted with pearls and nylon braid and she carried a white orchid centred with red roses with red rosebuds entwined in white lace streamers.

Miss Marilyn Bayer, sister of the bride, was maid of honor and wore a cocktail length gown in pink featuring a full skirt of net and lace with matching bolero. She wore a matching headpiece of net, satin and rhinestones and carried a bouquet of pink carnations and white spray mums.

Bridesmaids, Miss Phyllis Roth and Miss Phyllis Todd wore identical cocktail length gowns of pink, styled with full skirts of net and lace with matching boleros. They wore matching pink net headbands and carried bouquets of pink carnations and white spray mums.

Groomsmen were Norman Bogner, Les Bayer and Marvin Fritzler, while guests were ushered to their pews by Gerald Schuler and

## Building Permits Approved

## Town's 1958 Tax Rate Unchanged At 50 Mills

A mill rate of 50, the same as last year, was set for the Town of Vulcan at the regular town council meeting held Monday evening of this week. The school mill rate, reflecting an increased government grant to the County of Vulcan with a subsequent lower requisition on the Town of Vulcan, was reduced one mill, to 26 mills from last year's 27, but higher costs forced a one mill increase in the municipal rate, from 19 mills last year to 20 this year. The hospital rate remains the same at 4 mills.

Estimates for the year include the construction of several blocks of concrete sidewalks. The new well is being tested this week and is expected to be tied into the town's water system in the near future.

Building permits were approved as follows: Vulcan Municipal Hospital, 48 x 28 frame dwelling, estimated cost \$12,000. Contractor, R. Kerruish.

E. G. McPherson, 7x6 addition to dwelling.

A. Sokvitne, 44 x 27 frame dwelling, estimated cost \$8,000. Contractor, self.

J. M. Jamison, 20 x 24 frame garage, estimated cost \$1,500. Contractor, self.

Other business included the confirming of the appointment of Karl Degen of Red Deer as second constable.

Clean-up, paint-up week in Vulcan will be observed May 19 to 24 and citizens are asked to cooperate in improving the appearance of the town.

## Panel Discussion At Church of Christ

A panel discussion was held in the Church of Christ on Mother's Day evening. This venture, which was sponsored by the Vulcan Christian Men's Club, was under the chairmanship of the president of the club, Bert Daniels. The panel consisted of Rev. Donald Sharpe of the United Church; Rev. H. F. Dann of Fort Macleod, retired Presbyterian minister; his son, Frank Dann, minister of the Vulcan Church of Christ, and Albert Collier, Vulcan's Boy Scout Commissioner.

The subject, appropriate to Mother's Day was, "The Influence of Mother on the Spiritual Life of her Child." A large audience was present and a pleasing feature was that so many participated in the discussion. The exchanges between Mr. Dann, Sr., and his son who took an opposite point of view, were obviously relished by the panel and enjoyed by all.

There had been no collaboration on the part of the four speakers and yet each dealt most ably and in a refreshingly different way with the subject.

### Ted Hartung

Mrs. Rueben Schmidt was organist and accompanied Miss Pauline Spiane when she sang, "Wedding Prayer," prior to the ceremony and "Together With Jesus," during the signing of the register.

A reception for 136 guests followed at the Assinibola Hotel banquet room which was decorated with white wedding bells and streamers and arrangements of white and pink mums. The bride's table was attractively set with assorted carnations and white tapers which flanked a three-tiered wedding cake.

Grace was said by Rev. H. H. Bock and the bride toast was proposed by Robert Bayer, uncle of the bride. Miss Dianne Klemke was in charge of the guest book. Master of ceremonies was Rev. Sam Scherman, uncle of the groom.

For her daughter's wedding, Mrs. Bayer chose an afternoon dress in blue lace with white accessories and corsage of pink carnations. The groom's mother wore a lace dress in dusty rose with white accessories and pale yellow carnations corsage.

For a honeymoon trip to Lethbridge and other Alberta points, the bride changed to a wool suit in turquoise topped with a beige coat and pink accessories. A white orchid completed her ensemble. Mr. and Mrs. Fritzler have taken up residence at 1707 11th Ave. N., in Lethbridge.

Out-of-town guests were from Champion, Vulcan, Calgary, Edmonton, Regina, Schuler, Hilda, Lethbridge, Trochu and Warner.

## Early History of W.I. Recalled

A Mother's Day theme was featured at the May meeting of Reid Hill W.I. held Thursday, May 8, at the home of Mrs. W. A. Fitzpatrick, with Mrs. Peter McIntyre and Mrs. Percy Myers as assisting hostesses. Twenty-one members and two visitors answered the roll call with, "A Treasured Memory of My Mother."

Mrs. C. Love, the president, presided and was assisted in conducting the meeting by acting secretary, Mrs. John French and treasurer, Mrs. Jack Marshall.

Mrs. Ethel McMasters of Nanton, the constituency convener, who was paying her official visit, was heartily welcomed. Her talk consisted mainly of final plans for the conference to be held in Vulcan, June 11. Her advice on a number of details was much appreciated.

The business session was very brief and at its conclusion the meeting was turned over to the program committee for the meeting. Each member was presented with a pretty corsage, after which Mrs. Marshall gave a most interesting paper on the early days of the W.I. Branch, which was organized 45 years ago. Her history of those early days brought back happy memories to many present. She recalled the early settlers and their homestead homes, and the friendships made then that have endured throughout the years. Two charter members, Mrs. Peter McIntyre and Mrs. Agnes McKay, who were present, were presented with small tokens of remembrance.

An appreciate contest entitled "Famous Mothers" presented by Mrs. Sales was won by Mrs. McMasters.

The tea draw was won by Mrs. F. J. Mensinger, after which a dainty lunch was served by the hostesses. Members are asked to note that at the June meeting, to be held at the home of Mrs. Ross Walker, the roll call will be a "Favorite Recipe and Sample" to be brought, to be sold, at auction. Cakes, pies, rolls, bread, home-canned goods, etc., etc.

## Further Improvements Made

## Golf Course Popular Spot, Plan Tournament May 19

Activity at the Vulcan Golf and Country Club has been the keynote for the past couple of weeks, both in work and play. On the labor side, a new lawn has been planted on the complete area in front of the clubhouse, which in turn is surrounded and spotted with a variety of new bushes and bedgerow. The parking area back of the clubhouse has been leveled in preparation for the spreading of a complete gravel base. An enthusiastic work party again picked rocks off the entire course to ready the fairways for mowing and the agenda for this week calls for re-sanding of greens, mowing the fairways and oiling nearby sloughs to keep down the mosquito population.

On the play side, there has been a large, enthusiastic group of golfers out on the course every day with Sundays reaching a high peak every week.

A couple of weeks ago the club sponsored an evening's entertainment for all their junior boy and girl members. A crowd of about thirty children attended and were treated to bingo, dancing and luncheon.

Coming events include a two-day tournament for members next Sunday and Monday, May 18-19, which will be 18 holes each day for men, ladies and juniors. A good turnout is expected for this opening get together if the weather-man co-operates. Also an invitational tournament is being planned for Sunday, June 22, to commemorate the official opening of the Vulcan Golf and Country Club one year ago.

### SPRAY WEEDS EARLY

It has been found that weeds do most damage, in competition with growing crops, during the early stages of growth. For this reason farmers usually plan to start spraying about June 1st or very shortly afterwards. In control of broad leaved weeds the choice lies between two types of spray, 2,4-D for wheat and barley, and MCP for oats, flax and legume crops. At the same time, TCA may be used for narrow leaved weeds such as green foxtail in flax. Whatever product is used, it is important to follow the instructions carefully.

## District News

### QUEENSTOWN

Mr. and Mrs. Geo. Elder, Stan Brown and Leslie Long, attended the funeral of the late Mrs. Hoerle at Delburne. Rev. William Moore, who was student minister in this district three years ago, officiated at the service. Rev. Moore is stationed at Elnora, and has been married since leaving our district.

Congratulations are extended to the proud grandparents, Mr. and Mrs. Jack Bushell, born to Mr. and Mrs. Fothergill of Lethbridge on May 5, a son, Kenneth Dale. Mr. and Mrs. Bushell motored to Lethbridge on Monday evening of last week to visit the Fothergills and Mrs. Bushell made another return trip on Saturday.

Clean-up bees both in the United Church and yard and the playground took place last week. The grass in the playground has improved considerably in the last year, the weeds are few but the alfalfa is very prominent. When the grass has rooted sufficiently a spray will be used to overcome this.

It seems that everyone is not familiar with the fire-alarm call in the rural districts. When one long ring is heard on your phone it means that someone is calling for help to fight fire. Your operator will inform you where help is wanted. In some cases when phones are being repaired or when children occasionally use the phone it is a false alarm but it is wise to always check at the first ring.

Mr. and Mrs. M. T. Edwards and family motored to Parkland last weekend to witness the christening of their granddaughter, Diane Dawson, last Sunday.

Mr. and Mrs. Taggart and Sharon motored to the home of Fred Taggart of Langdon on Sunday, to attend a family reunion of the Taggarts and to celebrate the birthday of Grandma Taggart, who was 92 years of age on Friday, May 9.

Mrs. Clara Kingsmith accompanied Mrs. Cam Robertson and two daughters, Sheila and Caroline, to the CGIT banquet at Milo on Friday, May 9. Sheila Robertson together with Sharon Phillips and Joyce Schaub graduated from CGIT Group on Friday evening. Mrs. Millie Conklin, Explorer Councillor of the Queenstown Explorer Group, was also a guest at the banquet.

Parents are requested to help in keeping the playground free from glass. Children are using glass jars and bottles in the sand pile to play with and as there are many metal toys about, the jars get broken. Much glass was raked from the sand pile on clean-up day. If children were urged to use tin cans and plastic toys in the sand-box it might help this situation.

Mr. and Mrs. Leo Conklin held a farewell party in their home on Saturday evening in honor of Mrs. Lee Weir. Numerous gifts were presented to Lee by her many friends who attended the party.

The first Investiture Service of the Queenstown Explorer Group was held in the Queenstown United Church on May 6. Lynda Gooch, Linda Daw, Carol Conklin and Lorraine Ekland passed their tests and were presented with their first stars, badges and diaries by the Explorer Councillor, Mrs. Millie Conklin. At the close of the ceremony a picture was taken of the group of girls and their leader. Prior to the service the girls presented their leader with a jewelry set and sang "Happy Birthday" to her. It is hoped that Joyce McCallum and JoAnne Lahd will be invested into the Explorers next meeting.

Mrs. Tom Daw and Patsy were Lethbridge visitors last weekend.

Sunday guests at the Leo Conklin home were Mrs. Conklin's father and mother, Mr. and Mrs. Baxter of Calgary, also Shirley Baxter and Gregory Baxter.

Mamie Ferguson and Mr. and Mrs. Clarence Lahd of Calgary, were visitors in the district last week.

Weather conditions have been favorable and approximately 70% of seeding operations have been completed.

Mr. and Mrs. Splidt were Mother's Day visitors at the J. McLaughlin's.

### SHOULDICE

Mr. and Mrs. Henry Wiebe and girls were dinner guests at the Mr. and Mrs. Nelson Armstrong's on Sunday.

Mr. and Mrs. Les Brown and family spent last weekend at Mr. and Mrs. Alvin Hendrickson's of Camrose. On their return home they visited Mrs. Sarah Brown of Trochu.

A birthday party was held at Mrs. Armstrong's in honor of her son, Stanley, who was four years old on Tuesday. Fifteen women and children were present. Various snap-shots were taken of the children seated around the birthday cake. A delicious lunch was served.

Mr. and Mrs. Fred Oberholtzer and Mrs. Oberholtzer, Sr., were Sunday guests at Mr. and Mrs. Mervin Norton's.

Mrs. Vic Brown arrived home from Vulcan hospital with her new son on Wednesday.

Marvin Winch from Majorville, is at present employed at his uncle's farm, Sam Francis.

The Shouldice Community Club held their monthly meeting on Monday evening. The main topic for discussion was what improvements could be done to the hall. Plans were made to raffle off the power lawn mower which was donated back to the hall, which was won by Mrs. W. F. Leadbeater at the bingo. Raffle is to take place at the Arrowwood Sports Day.

A beautiful dollie set was raffled

off and the lucky winner was Ray Leadbeater. Lunch was served by Mrs. Nelson Armstrong, Mrs. Don MacBride and Mrs. Alvin Tario.

In early April the road into Sam Francis was washed out; the road men have come to put a new culvert in this week.

Mr. and Mrs. Fred Taggart were visitors at Mr. and Mrs. Frank Sims last Sunday.

Rev. and Mrs. C. D. McCreary from Calgary were dinner guests at the home of Mr. and Mrs. Sam Francis last Sunday.

Mr. and Mrs. Leonard Hoffman and Mr. and Mrs. Lloyd Jones and son, all of Calgary, visited with Mr. and Mrs. Paul Jones on Mother's Day.

Gordon Leadbeater and Gordon King are spending the day in Calgary. Both boys are taking flying lessons.

Mr. and Mrs. Harold Nordstrom left their three children at the home of Les Brown for the weekend.

Mrs. E. Armstrong and Mr. and Mrs. R. J. Egan and family, all of Calgary were dinner guests at the home of Mr. and Mrs. Nelson Armstrong on Sunday.

The kind of success that turns a man's head always leaves him facing in the wrong direction.

Therefore we ought to give the recompense of reward; How shall more earnest heed to the things we escape, if we neglect so great which we have heard, lest at any salvation; which at the first began time we should let them slip. Can Christ take second place in your thinking and planning, if we believe in Him?

What ever else Sunday is, for Christians, it is a day set apart to worship the God of Love, as revealed in Jesus Christ.

If a game, or a repair job, or laziness, or a petty disagreement with some church member, is sufficient to keep us from returning our thanks to God, how far down the list do we place God?

Can we put Christ second and still call Him Lord?

## District News

### MAJORVILLE

Seeding is now pretty general all over the district and some farmers are well on the way to the end of seeding for this season. The weather during the past week has been ideal spring weather and some reports of potato planting and early garden vegetables have been received; so fingers are crossed that the showers will fall at the right time and that late frosts will stay way up north where folks are prepared for them.

The May meeting of the Milo-Queenstown FWUA will be held at the home of Mrs. Gilbert Vooy's on May 22. A special of the meeting will be talks of interest to farm women by Ken Walker, district agriculturist of Strathmore and Miss Rapdall, home economist of Calgary. In view of the extra time required by these speakers, the officers urge all members to be on hand for two o'clock sharp. Visitors are also welcome to attend.

David Warnock of Kilmarnock in Ayrshire, Scotland, recently arrived in Alberta and all work on the John Bartsch farm, for the coming season.

Congratulations are sent to Mr. and Mrs. Hap Heather on the arrival of a daughter in the Vulcan hospital on May 5. Brenda Lee is the new baby's name.

Mr. and Mrs. Roy Hostetler of Lomond, were visitors on Sunday at the home of Mr. and Mrs. Alf Heather.

Mr. and Mrs. Cliff Clarke of Calgary were in the district on Monday seeing to farm interests and visiting with friends.

It was Tuesday night or not all for the store warming dance in the new store building at Majorville. Carpenters have been busy for the past two weeks on the structure and by Tuesday were ready to place the partitions and after they were in there would not have been room to dance, so despite the short notice and the busy season a good crowd was on hand for the dance. Music was provided by the Milo high school orchestra.
